## PROFESSIONAL EXPERIENCE

1991 to date

**Director, Global Transboundary International Waters Research Initiative, Institute of Asian Research (2007 to date), Founding Director, Dr. Andrew R. Thompson Program in Natural Resources Law and Policy, Faculty of Law (2000 – 2007) and Senior Research Associate, Westwater Research Center (1991 to 2000)**

**University of British Columbia  
Vancouver, British Columbia  
Canada**

Recent initiatives include:

- Tutor, Rivers as Boundaries, International Boundaries Research Unit (IBRU), University of Durham, Durham, England (July 2008)
- Special Counsel and International Law Expert, Nile Basin Initiative WRPM (Water Resource Planning and Management) Project / UNOPS, Nile Basin Organization, phase 2 design and implementation of a Nile Basin wide data and information sharing and exchange agreement, Addis Ababa, Ethiopia and other Nile Basin countries (January 2008 ongoing )
- Director, GEF Global Transboundary International Waters Research Initiative, in association with the Global Environment Facility of the United Nations (GEF) and the United Nations Development Programme (UNDP), Vancouver, Canada (July 2007 ongoing)

- Director, Nile Basin Workshop III, regarding international water and energy law, negotiation and environmental conflict resolution issues, Legal Development Office of the FAO (Food and Agricultural Organization) of the United Nations, Nairobi, Kenya (December, 2007)
- Special Counsel and International Law Expert, Nile Basin Initiative WRPM (Water Resource Planning and Management) Project / UNOPS, Nile Basin Organization, phase 1 design of a comprehensive Nile Basin wide data and information sharing and exchange agreement, Addis Ababa, Ethiopia, and other Nile Basin countries (February, 2007 to September, 2007)
- Consultant and International Law Advisor, Cowater International and the Canadian International Development Agency (CIDA), Bangladesh Environmental Institutional Strengthening Project (BEISP) (February, 2007 ongoing)
- Advisor and tutor, China Summer Institute, Institute of Asian Research (IAR), University of British Columbia, Vancouver, Whistler and Shanghai, China (Summer, 2007)
- Consultant and International Law Expert, Iraqi Marshes Restoration Initiative Workshop, University of Victoria and the Canadian International Development Agency, Amman, Jordan (September, 2006)
- Distinguished Academic in Residence, United Nations FAO Rome, regarding international water and energy law, negotiation and environmental conflict resolution issues, Legal Development Office, FAO (Food and Agricultural Organization) of the United Nations, Rome, Italy (August / September, 2006)
- Co-Director, International Waters Expert Workshop, Phase 1 of the GEF Global Transboundary International Waters Research Initiative, in association with the Global Environment Facility of the United Nations (GEF) and the United Nations Development Programme (UNDP), Vancouver, Canada (July, 2006)
- Director, Nile Basin Workshop II, regarding international water and energy law, negotiation and environmental conflict resolution issues, Legal Development Office of the FAO (Food and Agricultural Organization) of the United Nations, Bujumbura, Burundi (March, 2006)
- Special Counsel, Attorney General of Washington State, regarding international water and energy law, negotiation and environmental conflict resolution issues (2005)
- Speaker and Rapporteur, UNESCO Task Force meeting on Transboundary International Groundwater, Paris, France (March, 2005)
- Special Counsel, to the World Bank, on major projects involving international water and energy law, negotiation and environmental conflict resolution issues in Central Asia (2004 to 2005)
- Special Counsel, to the federal Canadian government departments of Foreign Affairs and International Trade and Environment (DFAIT), the Canadian

International Development Agency (CIDA) and Environment Canada, at a major international meeting in Stavanger, Norway to discuss donor cooperation in the realm of international water and energy law, negotiation and environmental conflict resolution issues (2003)

- Special Counsel, to the North West Territories Territorial Government regarding the negotiation of offshore boundaries and revenue sharing with the federal government (2003 ongoing)
- Special Counsel, to Columbia Power Corporation regarding negotiations with the federal government of Canada involving international water and energy law, negotiation and environmental conflict resolution issues (2002 ongoing)
- Special Counsel, to the Brace Centre for Water Resources Management McGill University, Macdonald Campus and the Scientific Information Centre of the Interstate Commission for Water Coordination of Central Asia (ICWC) regarding international water and energy law, negotiation and environmental conflict resolution issues in connection with the Aral Sea basin (2001-2003)
- Tutor, Nile Basin Workshop I, to the legal division of the FAO (Food and Agricultural Organization) of the United Nations regarding international water and energy law, negotiation and conflict resolution issues in connection with the Nile River basin, Cairo, Egypt (2001)
- Special Counsel, to the federal Canadian government departments of Foreign Affairs and International Trade and Environment (DFAIT), the Canadian International Development Agency (CIDA) and Environment Canada, at a major international meeting in Rudesheim, Germany to discuss donor cooperation in the realm of international water and energy law, negotiation and environmental conflict resolution issues (2001)
- Consultant, to El Colegio de Mexico (Mexico) and the Aquatic Resources Conservation Group (USA) examining environmental challenges facing North American integration including institutional frameworks for coastal zone management, conservation and transboundary water resource management (2000 ongoing)
- Special Counsel, to the Mekong River Commission for Sustainable Development Secretariat (MRCS), Phnom Penh, Cambodia, and Vientiane, Laos PDR, regarding international water and energy law issues, international environmental law issues, negotiations and conflict resolution (1999 to 2003)
- Special Counsel, to the Water and Energy Commission Secretariat (WECS) of His Majesty's Government, Kathmandu, Nepal, regarding international water law issues, international environmental law issues, negotiations and conflict resolution (1997 to 2004)
- Consultant and Legal Advisor, to the Yukon Territorial Government regarding the manner in which water will be dealt with in the devolution of the Northern Affairs Program from Canada (2000)

- Legal Advisor, to a major international law firm regarding the legal and political ramifications of a major international maritime boundary dispute (2000)
- Legal Advisor, to the British Columbia Salmon Farmers Association (BCSFA), Canada, regarding the negotiation and resolution of various contentious disputes involving salmon net pen aquaculture in British Columbia (1997 to 2001)
- Legal Advisor, to a major international law firm regarding implementation of the Columbia River Treaty (1997)
- Advisor, to the government of Canada (Department of Fisheries and Oceans) regarding the establishment and maintenance of marine protected areas and marine environmental quality (1995 to 1999)
- Consultant and Legal Advisor, to the government of British Columbia regarding the harmonization of international trade and environmental laws (1996)
- Advisor, to the government of Canada (Departments of Fisheries and Oceans and Environment) regarding strategies and tactics for implementing integrated coastal zone management in a Canadian context (1996)
- Advisor, to the government of British Columbia at negotiations regarding the Mackenzie River Basin (Yellowknife, North West Territories, 1994)

Academic assignments include supervising graduate students and directing graduate level seminars including:

- International Law and Natural Resources including international water and energy law, negotiations and international environmental conflict resolution (Faculty of Law UBC)
- Natural Resources Law including environmental conflict resolution (Faculty of Law UBC)
- Water Law (Faculty of Law UBC)
- International Law of the Sea (Faculty of Law UBC)
- Integrated Coastal Zone Management (Institute for Resources, Environment and Sustainability UBC)

1985 to 1991

**Legal Advisor**  
**Department of Justice**  
**Government of Canada**  
**Vancouver, British Columbia, Canada**

Activities included providing legal and policy advice as well as acting as litigation counsel in the administrative, water, fisheries, refugee, aboriginal and international law areas. Activities also included computer managing documents; conducting pre-trial examinations; acting as counsel in pre-trial motions, directing legal research;

directing the preparation of expert opinion evidence reports; conducting education and training seminars for legal, scientific and technical experts; and, advising on communications strategies and appearing in court on high profile cases.

Responsibilities also included appearing as counsel before the British Columbia Supreme Court, the British Columbia Court of Appeal, the Federal Court of Canada Trial Division, the Federal Court of Appeal and a wide range of administrative tribunals as well as managing the Pacific Regional Office of the legal division of a major federal administrative tribunal. Major cases worked on included the seminal Nechako River (Attorney General of Canada et. al. v. Alcan Aluminium et. al.) and Kitsilano Point (Mathias et. al. v. Attorney General of Canada et. al.) disputes.

1983 to 1985

**Lawyer**  
**Knott, Pollard & Morgan**  
**Barristers & Solicitors**  
**Vancouver, British Columbia, Canada**

Responsibilities were primarily in the areas of civil litigation and administrative law and included appearing before the Supreme Court of British Columbia, the British Columbia Court of Appeal, the Provincial Court of British Columbia, the Federal Trial Court, the Federal Court of Appeal and a wide range of administrative tribunals.

1982 to 1983

**Articled Law Student**  
**Russell & DuMoulin (now Fasken Martineau LLP)**  
**Barristers & Solicitors**  
**Vancouver, British Columbia, Canada**

Responsibilities were primarily in the civil litigation and administrative law areas at the then largest law firm in western Canada.

1980

**Legal Extern**  
**Office of the Attorney General**  
**Saipan, Commonwealth of the Northern Mariana Islands, Trust Territory of the Pacific Islands**

Responsibilities included providing legal and policy advice regarding the legal, environmental and economic ramifications of a proposed \$500 M. oil trans-shipment

superport. Additional responsibilities were in the areas of international law, maritime law, coastal zone management, fisheries law, administrative law and legislative drafting.

1979

**Legal Intern  
Office of General Counsel  
National Oceanic and Atmospheric Administration  
Los Angeles, California, U.S.A.**

Responsibilities included complex legal research including the application of the Marine Mammal Protection Act, the Magnuson Fisheries Conservation and Management Act, the Coastal Zone Management Act and the Endangered Species Act.

1979 Summer

**Assistant Exploration Geologist  
Dolmage Campbell & Associates Geological Engineers / BC Hydro  
Vancouver, British Columbia, Canada**

Responsibilities included geological mapping, drill inspection and reconnaissance work in connection with proposed hydro electric power development projects in the Stikine and Iskut areas of British Columbia.

1977 to 1978

**Teaching Assistant  
University of Washington  
Institute for Marine Studies  
Seattle, Washington, U.S.A.**

Responsibilities included research and teaching in the areas of resource management and environmental impact assessment.

1975 to 1977 Summers

**Environmental Researcher  
Utah Mines Ltd.  
Vancouver, British Columbia, Canada**

Responsibilities included oceanographic and biological fieldwork, writing technical reports, managing small projects and conducting environmental impact assessments at the Carbon Creek Coal Project, the Island Copper Mine Project and other locations.

1971 to 1974 Summers

**Assistant Exploration Geologist  
British Newfoundland Exploration, BP Minerals, Amax Exploration and Rio  
Tinto Canadian Exploration, British Columbia, Canada**

Responsibilities included geological exploration and mineral prospecting.

**INTERNATIONAL WORK EXPERIENCE**

Bangladesh, Burundi, Cambodia, China, Colombia, Costa Rica, Egypt, Ethiopia, France, Germany, Italy, Jordan, Kazakhstan, Kenya, Laos PDR, Mexico, Nepal, Northern Mariana Islands, Norway, Rwanda, Singapore, Sudan, Tanzania, Thailand, Uganda, USA, Uzbekistan, Vietnam

**SPECIAL ACTIVITIES AND AWARDS**

- Honourary Associate, UNESCO Centre for Water Law, Policy and Science, University of Dundee, University of Dundee, Dundee, Scotland (2008 ongoing)
- Distinguished Academic in Residence, Legal Development Office, FAO (Food and Agricultural Organization) of the United Nations, Rome, Italy (Summer 2006)
- Board Member, Canadian Parks and Wilderness Society (June 2006 ongoing)
- Governor, Canadian International Peace Project (October 2005 ongoing)
- Adjunct Professor, International Environmental Law, Southwestern University School of Law (Los Angeles) Vancouver Program, Vancouver (2005 - 2007)
- Founding Director, Canadian Water Research Society (2005 ongoing)

- Member, Board of Advisors, Columbia Basin Trust Water Initiative, British Columbia, Canada (2003 ongoing)
- Advisor, Canadian Government Delegation to the Informal Donor Consultation on Transboundary Water Issues, 06 November 2003, Stavanger, Norway (2003)
- North America Regional Representative (Canada and the USA) – International Association Water Law (AIDA) (2003 ongoing)
- Trainee, “Creating Common Ground: Negotiation in Peace Keeping Operations” Negotiation Training, Pearson Peacekeeping Centre and the Liu Institute for Global Issues, Lui Centre, Vancouver, Canada (2003)
- Advisor, Canadian Government Delegation to the Informal Donor Consultation on Transboundary Water Issues, 19 and 20 March 2001, Jagdeschloss Niederwald, Rudesheim, Germany (2001)
- Final Round Judge, Niagara International Moot Court Competition, Detroit College of Law at Michigan State University, Lansing, Michigan (2000)
- Board Member, TD Canada Trust Friends of the Environment Foundation, West Vancouver, Canada (1999 to 2003)
- Advisor, Marine Protected Areas and Oceans Strategy Committee, Canadian Parks and Wilderness Society, Vancouver, Canada (1997 ongoing)
- Graduate and Fellow, Cohort 6, Leadership for Environment and Development (**LEAD**) International Training Program (1997 to 1999 and ongoing)
- Final Round Presiding Judge and Co-Author, Niagara International Moot Court Competition, Case Western Reserve University School of Law, Cleveland, Ohio (1996)
- Organizer and Moderator, “Annual State of the Environment Live Debate” between the British Columbia Minister of the Environment and opposition environment critics. (1996 to 1999)
- Instructor, National and International Natural Resources Law and Policy. At CIDA Environmental Seminars for Chinese Scientific and Technical Experts, Vancouver, (1995)
- Director, MLSS Marine Life Sanctuaries Society (1995 ongoing)

- Instructor, Annual Seminar on Environment Management: Theory and Skills. At Korea Water Resources Corporation Special Seminar, School of Resource and Environmental Management, Simon Fraser University, Vancouver (1994 and 1996)
- Adjunct Professor, International Environmental Law, Southwestern University School of Law (Los Angeles) Vancouver Program, Vancouver (1994 and 2005)
- Advisor, British Columbia Commission on Resources and Environment (CORE) Strategy Planning Team (1993 to 1997)
- West Coast Organizer, United Nations International Oceans Day (1993 to 2000)
- Featured Contributor to the Weather Channel Television “State of the Environment” reports (1992 to 1999)
- Instructor and Group Leader, Natural Resources Law and Policy, Post Baccalaureate Program in Environmental Studies, Capilano College, North Vancouver, British Columbia (1993 -1999)
- Associate Faculty, Fisheries Centre, Faculty of Graduate Studies, University of British Columbia, Vancouver, Canada (1991 to date)
- Adjunct Faculty, Institute for Resources Environment and Sustainability and the Westwater Research Center, Faculty of Graduate Studies, University of British Columbia, Vancouver, Canada (1991 to date)
- Instructor, Environmental Law, Orientation Seminar on Canada for ASEAN Journalists, Asia Pacific Foundation Media Fellowship Program, Vancouver (1991)
- Canadian Delegate, International Conference on the Conservation and Management of the Living Resources of the High Seas, St. John’s, Newfoundland (1990)
- Deputy Minister’s Silver Commendation Award for Outstanding Contributions to the Public Service, Department of Fisheries and Oceans Canada (1987)
- Adjunct Professor, Faculty of Law, UBC, Vancouver, Canada (1985 ongoing)

- Western Regional Finalist, Jessup International Moot Court Competition, Newport Beach, California (1980)
- Scholarship Awardee, Pepperdine University School of Law, Malibu, California (1978, 1979, 1980)
- Scholarship Awardee, University of Washington / National Oceanic and Atmospheric Administration, Seattle, Washington (1977)

## **EDUCATION**

LL.M. 1982	London School of Economics London, England
J.D. 1981	Pepperdine University School of Law, Malibu, California, U.S.A.
M.Sc. 1978	Institute for Marine Studies, University of Washington, Seattle, Washington, U.S.A.
B.Sc. (Biochemistry) 1975	University of British Columbia Vancouver, British Columbia, Canada

## **PROFESSIONAL MEMBERSHIPS**

American Society of International Law (since 1978)  
Law Society of British Columbia (since 1983)  
Canadian Council International Law (since 1983)  
British Columbia Inns of Court (since 1985)  
International Association Water Law (AIDA) (since 2001)

## **SELECTED FUNDED RESEARCH PROJECTS**

- Issues and Driving Forces in the Columbia River Basin funded by the Columbia Basin Trust (2008)
- GEF Global Transboundary International Waters Research Initiative funded by the Global Environment Facility / World Bank Group (GEF) and the United

Nations Development Programme (UNDP) with the Institute of Asian Research UBC, Vancouver, Canada (2008) (\$2.4M)

- International Waters Expert Workshop, funded by the Global Environment Facility of the United Nations (GEF) and the United Nations Development Programme (UNDP) with the Institute of Asian Research UBC, Vancouver, Canada (2006) (\$50K)
- International Water Law, Transboundary Water Resources Management, Negotiation, Conflict Resolution and Development Aid Effectiveness Research Project, funded by the Canada Department of Foreign Affairs and International Trade (DFAIT), the Canadian International Development Agency (CIDA) and Environment Canada (2003).
- International Water Law, Transboundary Water Resources Management, Negotiation and Conflict Resolution Research Project, funded by UBC Faculty of Law (2002-2003).
- Strategic Planning for Marine Protected Areas Research Project, funded by San Juan County, Washington (2002-2003).
- Environmental Challenges Facing North American Integration: Institutional Frameworks for Coastal Zone Management, Conservation and Transboundary Resource Management Research Project, funded by the Inter-Institutional Research Program for North America, El Colegio de Mexico and the Aquatic Resources Conservation Group, Seattle, Washington (2000 - 2003).
- A Smart Growth Tourism Initiative in the Georgia Basin / Puget Sound Research Project, funded by the Oceans Blue Foundation (1999).
- Strategies for the Regulation of Ecosystem Health Research Project, funded by the Department of Fisheries and Oceans Canada (1998-99).
- Strategies for Negotiating International Water Law Agreements and Facilitating Conflict Resolution with Regard to Himalayan Water Resources Research Project, funded by Canadian International Water & Energy Consultants (CIWEC) and the Canadian International Development Agency (CIDA) (1997 to date).
- Further Evaluating the Feasibility of Strengthening Government Processes through Education and Training of British Columbia Environmental Professionals Research Project, funded by the Department of Fisheries and Oceans Canada (1997).

- Potential Constraints on the Definition and Regulation of Environmental Quality pursuant to the Canada Oceans Act Research Project, funded by the Department of Fisheries and Oceans Canada (1997-98).
- Evaluating the Response of the Department of Fisheries and Oceans Canada to the Fraser River Sockeye Public Review Board Research Project, with EB Experts Inc., funded by the Department of Fisheries and Oceans Canada (1996).
- Strategies for Establishing and Maintaining a Marine Protected Area at William Head, British Columbia, Research Project funded by WWF Canada (1996).
- Evaluating the Feasibility of Certifying or Licensing British Columbia Environmental Professionals Research Project, funded by the Department of Fisheries and Oceans Canada (1996).
- A Literature Review and Analysis of International Coastal Zone Management Models Research Project, with Meltzer Research and Consulting, funded by the Department of Fisheries and Oceans Canada, (1996).
- Strategies for Establishing and maintaining International Oceans Day on the West Coast Research Project, funded by the Canadian International Development Research Centre (IDRC) (1995).
- Identifying West Coast Strategies for a Canadian Marine Conservation Programme Research Project, funded by the Canadian Arctic Resources Committee and the Canadian Nature Federation (1994).
- International Trade Law, the Environment, Sustainability and the British Columbia Fishing Industry Research Project, funded by the British Columbia Fish Processing Task Force, Province of British Columbia (1994).
- Strategies for Managing Rivers (and Recreation Routes) in British Columbia Research Project, funded by the Law Foundation of British Columbia and the British Columbia Real Estate Foundation (1993).
- Strategies for Establishing and Maintaining Marine Protected Areas in British Columbia Research Project funded by the Law Foundation of British Columbia (1992).

- Fisheries Co-Management Strategies Between Government and First Nations Research Project, funded by the Department of Fisheries and Oceans Canada (1992).

## **SELECTED PRESENTATIONS**

Presenter, International Water Law, Negotiation, Conflict Resolution and Development Aid Effectiveness: the Way Forward. At Foreign Affairs Canada Consultation Meeting, Ottawa, Ontario. February 2006.

Moderator, Panel Discussion on Climate Change and Implications for Fraser River Sockeye Salmon, Climate and Fisheries: Impacts, Uncertainty and Responses of Ecosystems and Communities, Victoria Conference Centre, Victoria, British Columbia, Canada (October 2005)

Presenter, International Water Law, Negotiation, Conflict Resolution and Development Aid Effectiveness. At United Nations University for Peace, Central Asia Programme Course Development and Training Seminar, Regional Water Resources and Peace Building, Almaty, Kazakhstan. April 2005.

Presenter, International Water Law and Conflict Resolution. At Annual Meeting, Interstate Commission for Water Coordination of Central Asia (ICWC), Almaty, Kazakhstan. April 2005.

Presenter and Rapporteur, Transboundary Groundwater and Canada, At UNESCO, Paris, France. March 2005.

Presenter, International Water Law and the Columbia River Treaty: Past, Present and Future. At UCOWR/NIWR Joint Conference: "Water Allocation: Economics and the Environment" Portland, Oregon, July 2004

Presenter: Property, Conflict, Environment and Transboundary Rivers. At Congreso Internacional De Derecho Ambienta - Propiedad, Conflicto Y Medio Ambiente. El Universidad del Rosario and the Instituto Colombiano de Derecho Ambiental, Bogota, Colombia, May 2004

Presenter, International Water Law, Negotiation and Conflict Resolution issues including Central Asia, At World Bank Meeting, February, 2004, Washington, D.C.

Presenter, International Water Law, Negotiation, Conflict Resolution and Development Aid Effectiveness including the Mekong and Central Asia. At Water for the Poorest International Conference, November, 2003, Stavanger, Norway.

Presenter, International Water Issues: Peace, Security and Downstream Benefits: Challenges and Opportunities. At Joint Northwest Regional Consortium for Southeast Asian Studies and Canadian Council for Southeast Asian Studies Conference, Centre for Asia Pacific Initiatives 24 – 27 October 2001, Victoria, British Columbia.

Presenter, International Water, Peace and Security: Challenges and Opportunities. At Water Issues for the Twenty First Century – CIDA International Cooperation Days, 18 – 20 June 2001, Ottawa, Ontario.
